Office Exclusive!! Welcome to this rare opportunity to own a gorgeous deep water generational home overlooking the Ashley River and across from beautiful and pristine Magnolia Plantation! Take in the beautiful sunsets each day or take the boat out from your own private dock. With a separate full apartment/ mother in law suite overlooking the Ashley River boasting a family room, full kitchen, master bedroom and bath, the possibilities are endless. This apartment can function as living quarters for another family member or can also be rented as an ADU.

With the ADU included, the total square footage of this property is 4,346 Square feet!

The house was completely remodeled in 2015 including plumbing and electrical, roof windows, decking, siding
